

During the Annual Members' Conference, one of the highlights is always the Awards Banquet. This year's special guests and keynote speakers were the "Bone Collectors": Michael Waddell, Travis "T-Bone" Turner & Nick Mundt.

Michael began by thanking the group for providing them great products for enjoying their love of hunting. Michael also emphasized the importance of personal safety for both the hunter and their many cameramen. T-Bone and Nick agreed that coming home safely was an important part of their jobs so that they could continue to enjoy the sport of hunting and also to be able to share their experiences with family and friends for future generations to preserve our hunting privileges.

On behalf of the TMA members and Board of Directors, John Louk, Executive Director, presented the prestigious "Gratitude Award" to the group for their contribution to this year's conference and also their continued support to the Association in promoting treestand safety on their TV show and throughout the hunting industry.
